

# GRAND JUNCTION MODELEERS

## FIELD OPERATION AND SAFETY RULES

1. This field is governed by AMA Rules and Safety Codes. AMA membership is required.
2. Flying is restricted to members and member accompanied guests only.
3. Flying is restricted to 15 minutes per sortie.
4. One active runway at a time.
5. Flying over pits, parking area or spectators is absolutely prohibited.
6. All persons at the flight line will stand within the pilot stations. The pilot may be outside of the pilot stations during takeoff and landing. Exception to this rule is allowed during fun fly and combat events.
7. Announce takeoffs and landings in a **loud**, clear voice.
8. Helicopter flying in helicopter area only for hovering flight. All forward flight of helicopters will be the same as fixed wing aircraft.
9. Gliders fly same as powered flight. No hi-start or winch launches while powered aircraft are in the air.
10. Children under 6 years old are only allowed on the flight line as a pilot or while under flight instruction.
11. No pets allowed. During community events pets will be on leash and not in pit area or flight line.
12. Only pilots, helpers, and spectators accompanied by a club member are allowed in pit area and on flight line.
13. Should a crash occur, remove all debris from the field. Do not fill trash barrels with crashed aircraft.
